2025 Alchemist's Moon raves:

"This lunar guide transformed my spiritual practice! I finally broke free from toxic patterns during the eclipse season and did some powerful manifesting at the Taurus supermoon. The ritual suggestions are pure magic!" - Sarah M., Intuitive Coach

"I've been following lunar cycles for 15 years, and this the most comprehensive guide I've ever used. The Sabbat connections are genius - it helped me create the most powerful rituals of my life."
- Lila Rodriguez, Certified Herbalist & Massage Therapist

Attune to the Moon! In the sacred darkness between what was and what will be, you are exactly where you need to be.
